

TIGER

PRESENTING

# 1967 Tiger

**of  
Ardmore  
High  
School**

Presented by the SENIOR CLASS

# Foreword

The annual staff is striving to bring to you through this Tiger edition a book that you will look upon in the future years as a storehouse of memories. Our school, being a storehouse of knowledge, has furnished us throughout these twelve years many events to awaken our emotions: Emotions of worry in preparing for semester exams, proud emotions in receiving many outstanding awards in scholastic and athletic endeavors, happy emotions at winning a ball game, loyal emotions to our school and teachers, humble emotions for the opportunities afforded us in America, and mixed emotions at leaving behind all this to go out into the world of new challenges.

Cherish this book. Keep alive your memories by turning through its pages long after leaving Ardmore High School.
